

The IGU Organizing Committee is please to cover a limited number of conference registration fees and travel & accommodation costs to the IGU 2019 Thematic Conference - Transformation of Traditional Cultural Landscapes. Active applicants (with poster or oral presentation) who would be unable to attend the Conference without financial assistance are eligible to apply. In selecting applicants to receive awards, preference will be given to early career researchers (PhD students or within 5 years after PhD completion), in particular to those from low and middle-income countries. The amount and number of grants will vary, depending on the country of origin.

All selected applicants will be exempted from paying the registration fee, those from distant countries will also be able to get reimbursed up to 500€ for travel & accommodation costs.

The applications will be reviewed by members of IGU 2019 Thematic Conference Organizing and Scientific Committees.

The application to the grant must be indicated in the registration form. The template of abstract is the same.

For additional information regarding grants do not hesitate to contact us via lucc@zrc-sazu.si.
